

Instructions for Poster Presenters

All posters should be hung at the latest, prior to the poster session at 15:45 each day. The poster session space is adjacent to the reception area in the Bond Life Sciences Center. 1/3 of all posters will be displayed each day. We would advise you to hang your poster in the morning or at the lunch break of the day you are presenting.

The size of the corkboard easel provided for your poster is 4 ft. by 4 ft. (121 cm X 121 cm). It would be wise not to exceed this size limit as your material may not be viewable. Push pins will be provided. The presenting author is responsible for mounting his/her poster and expected to discuss their work with others visiting their poster during the session.

Limited printing services are available in Columbia. FED EX KINKOS is located within walking distance of the campus in downtown Columbia (25 S 6th St.). An advantage of using this company is that it has late hours. However, space is limited on their printer and they may not be able to print a poster immediately. Check with them before dropping off your information to be printed. Or contact them prior to arrival to have your poster preprinted. If you have any questions for about printing or scheduling an appointment you can reach them at: 001-573-449-5021. The website address is <http://local.fedex.com/mo/columbia/office-0110/>. Posters will cost \$50.00 - \$100.00 (US) to be printed.

Should circumstances prevent you from making your presentation, and you have arranged for a co-author or colleague to present your poster, please notify muconf3@missouri.edu.

Schedule of presenters by last name:

Poster #	Monday	Tuesday	Wednesday
1	Almeida	Kikuchi	Pfeiffer
