STUDY MANUALS

Certification exams are based upon the content of the study manuals. All applicants are required to pass the General Standards of Competence (CORE) Exam and the appropriate Category Exam. Questions for the CORE Exam will come from the Applying Pesticides Correctly-Missouri CORE Manual (MU Manual, MX328) and the Missouri Pesticide Use Act. Questions for the Category Exam will come from the Category Manual, the CORE Manual and the Missouri Pesticide Use Act.

Pesticide exams will not be offered at the certification program.

The CORE Manual and the Category Manual(s) may only be purchased from the University of Missouri Extension Publications Office. The Missouri Pesticide Use Act will be provided (free) to the applicant at the training program.

If you wish to order study manuals, you may do so by calling MU Extension Publications at 1-800-292-0969 or via the web at <http://muextension.missouri.edu/publications/> and click on "Pesticide Training Manuals". Manuals will be shipped directly to you within a few days of ordering. We advise you to order your manual prior to training so you can use them as a reference during the classes.

REGISTRATION

The registration fee will be \$80 for the training session. After completion of the attached registration form you will know the amount you pay. An additional \$25 fee will be charged to those registrations postmarked after the deadline date for each location **or at the door**.
